VIENNA THEATRE COMPANY PRESENTS

BOY GETS GIRL

Drama - STRONG LANGUAGE

By: Rebecca Gillman

**Produced by Special arrangement with Dramatic Publishing 311 Washington St. PO Box 129,
Woodstock, Illinois 60098**

Named Time Magazine's #1 Play of the Year in 2000, *Boy Gets Girl* is a psychological chiller about romance gone wrong. Theresa, a successful reporter who is unlucky at love, goes on a blind date which was set up by a friend. When Theresa senses things are not working out for after a second date, she tells Tony she is not interested in pursuing the relationship any further. Tony thinks otherwise, and as he continues to be more persistent, his pursuit turns into obsession. As Theresa's world begins to spin out of control, her friends and co-workers provide support as they are drawn into her nightmare as well. Ultimately, Theresa must fight to save herself from being erased by Tony's actions - actions which call into question the assumptions at the very heart of romantic pursuit.

"Rebecca Gilman is a playwright to hail. *Boy Gets Girl* is gripping and important - the finest most disturbing American play in years!" - Time
